Applicants and sellers/vendors should familiarize themselves with the attached City Code section pertaining to Food Trucks. Title Five, Chapter 5D governs the operation of food trucks in the City of Carbondale. The City Code is available online at the City's website [www.explorecarbondaile.com](http://www.explorecarbondaile.com) and is attached for your reference.

5-5D-1: DEFINITIONS:

"Food Truck Vendor" means a person engaged in the business of selling food or non-alcoholic beverages from a self-contained motorized vehicle with valid license plates and registration. A food truck vendor does not include an ice cream truck operator.

5-5D-2: ANNUAL LICENSE REQUIRED: No person shall operate as a food truck vendor without having first secured a valid annual license for each vehicle to be operated within the City, and to be displayed in or on each vehicle to be used in the operation of any such business. No licensed food truck vendor shall himself or through any employee while acting as a food truck vendor in this municipality barter, sell, or peddle any goods or merchandise or wares other than prepared food products for consumption by the customer as "take-out" from the premises.

Food truck vendors shall not be permitted to utilize amplified sound. Food trucks are not permitted to utilize City water, electric, or other utility to conduct business. When operating as a transient merchant/itinerant vendor from privately owned property, electricity may be utilized with the permission of the property owner.

Sales occurring on public property from food trucks are permitted only from designated Food Truck Areas. Maps of these designated places of sales are available in the City Clerk's office and on the City's website. The issuance of an annual food truck license does not in any way reserve or designate spaces in the Food Truck Areas. Availability will be on a first-come, first-serve basis. Food trucks may operate from private property in the same manner as provided for itinerant vendors/transient merchants. (see Section 5-5-1.A of the Carbondale Revised Code). If food truck operators desire to sell on property owned by Southern Illinois University, they must first obtain written permission from the University. Sales may also be conducted from a Carbondale Park District park, but only when written authorization from the Carbondale Park District is submitted to the City Clerk's office.

5-5D-3: VEHICLE APPEARANCE AND MAINTENANCE:

Vehicles utilized for food truck vending shall be kept in good mechanical and structural condition. Vehicles shall have a clean exterior and interior and shall be equipped with signs to alert traffic to proceed with caution past the truck while it is serving customers. Each vehicle shall have the company name affixed to it in a professional, workmanlike manner and in letters that are a minimum of six inches (6") high. The company name shall be affixed to each side and rear of the vehicle.
